INTRODUCTION

The Influence Pro kit will help you become exactly that. This is our largest ring to date. The bigger the ring the more power you will feel. It will illuminate all around you and will truly create a beautiful and soft environment for your videos. The extendable tripod really helps to film at any level. No need to find a table or a stand for your ring light. Just prop it up and start filming! Its as easy to use as it looks. You will become an influencer pro in no time. One purchase and you're there !
