INTRODUCTION

This mount is everything that you need from a hassle free mount. It charges your phone as you use it and uses as little wiring as possible. The magnetic pull ensure that the phone doesn't fall and stays connected to the mount. Navigating the roads has never been this easy!

PACKAGE CONTENTS

- 1x Magnetic Mount
- 1x Vent Clip
- 1x Charging Cable
- 2x Metal Plates

HOW TO USE

- 1) Unbox everything and make sure you have all of the contents
- 2) Next you're going to attach the vent clip with the ball and joint
- 3) After the vent clip is attached, place the metal plate on your phone or in between the phone and phone case
- 4) Next you're going to make sure the mount is plugged into a power source that way it is able to charge the phone
- 5) Finally you're going to put your phone up to the mount head and it should magnetically connect and start charging right away!
