INTRODUCTION

This Power Bank is like taking an outlet with you everywhere. It has an incredibly high battery capacity that can last multiple charges. It has multiple ports so you could charge a few devices at once. And no need to worry about it because it has overheating protection so you won't have to worry about it getting too hot or breaking because of overcharging.

PACKAGE CONTENTS

- 1x Power Bank
- 1x Charging Cable

HOW TO USE

- 1) First you're going to make sure you have all package contents
- 2) Next you're going to plug in the power bank and make sure it is fully charged. The 4 little lights represent how full it is.
- 3) After that you're going to take your own charger and plug it into one of the outlets and begin to charge! Enjoy!
